Dear Patrons,

The Sanderstead Dramatic Club welcomes new members. Our priority is to expand our membership. We need both young and more senior interest in acting, to enable us to present more plays and other productions during the year.

We are increasing our membership steadily and wish to continue this. We have a very experienced staging and technical team more than capable of presenting many future productions for Sanderstead.

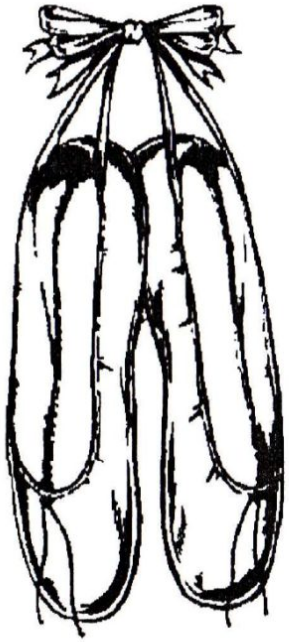

Join us to expand into the future environment of the Club, in whatever capacity, "you will be welcome".

David Apps -Wizard
David continues to support SDC with a string of successful roles; who could ever forget his rendition of "You're the one that I want" with John Shepherd in last year's show, "Snow White". This year David discards his usual halo and dons the black cape and evil voice as the traditional panto "baddie"; he looks forward to being booed and hissed every night !

Tim Crump - Willie Winkie
Tim is one of the longest serving members of the club. Last year he took on the job of stage management and this year he is trying to manage learning his lines, not the stage. One of the club's technical wizz-kids, if anything goes BANG he will undoubtedly be able to lend a hand...

Gordon Drayson - Black Imp
Gordon is a magician off the stage and on it the rest of the cast are hoping his cues won't be quite so much of a mystery. An **imp**etuous character, Gordon is playing a more **imp**erious role to that which he is accustomed. If he should succumb to **imp**ertinence please do not hesitate in putting him in his place.

Geoffrey Killick - King Neptune
Geoff is something of a Clint Eastwood role model; not only can he act, he can direct, sometimes at the same time (whilst cracking a walnut in his left hand). We are delighted to welcome him back after a short break and wish him every success for the run of the show.

Andy Lingfield - Tickle
A varied and successful collection of roles in local shows, Andy joins us for the first year as "Tickle". Andy will not be tickled when he learns that as the new boy he will be buying the drinks at the after show party ! We welcome Andy to the club and wish him every success for his future with SDC.

Glenys O'Sullivan - Baroness Hickory
Glenys is another long serving member of the club. She has told us that Christmas wouldn't be quite the same without the panto. We couldn't agree more, but instead of her usually good, fair and friendly role, this year she has turned against the forces of good and is delighted to be a bad baroness.

Dot Reid - Queen Snowdrift
A seasoned regular with SDC, Dot has turned her regal hand to all kinds of roles within the club over the years; reviews, rock musicals, plays etc. When her majesty is not directing her royal subjects, she assumes the role of club secretary.

Jane Shackel - Mary
Jane is something of a success story as far as the club is concerned; she was only 7 when she performed in her first SDC pantos. Having graduated from Warwick University in 1991 with a degree in Drama & English, she stayed in the Midlands to perform in "Oliver !" and "Godspell". We are delighted to have her with us for her 7th SDC panto.

John Shepherd - Dame Foxtrot
John really is a dab hand at this part. Whilst part of the SDC furniture, John hasn't lost any of his sparkle, and continues to glow with enthusiasm as each new challenge arises. As panto Dame you are of course encouraged to groan heavily at his witty selection of jokes and japes !.

Josie Simpson - Jack
This is Josie's second year with us as a thigh-slapping principal boy. In last year's role as the charming Prince Florian she struggled a little in the sword fight scene; this year she is something of an expert in such matters! Our thanks to her for being such a sport once again.

Peter Simpson - Slap
Peter's first SDC panto was 1948; during that time he has played all of the major roles successfully and we are delighted that following a brief sabbatical in Canada he is making a comeback in his 30th panto with the club. Welcome back Peter!

John Tait - Baron Hickory
What John doesn't know about SDC pantos isn't worth knowing. He plays a typical role this year, having graced the stage as broker's man, Dame, baddie and a whole host of other parts in the past. Our good wishes to John in what we are sure will be another successful role.

Karen Wood - Sprite
Karen is the youngest member of the cast this year and we wish her every good fortune for the future. We feel confident that she will deliver a SPIRITED performance (the jokes don't get any worse - do not fear).
